DUCTWORK GUARANTEE

GUARANTEE FULL DISCLOSURE, TERMS, CONDITIONS AND EXCLUSIONS.

Stuart Services will Guarantee that the ductwork that we install in your home will remain sealed to deliver clean comfort for UP TO 12 Years, based on the specific duct type that Stuart Services installs. See the face of this Certificate for Details. We also guarantee that the ductwork that we install will remain structurally sound and will be properly supported and connected to allow maximum air-flow. This guarantee is limited to residential customers who purchase complete ductwork upgrades or repairs from Stuart Services and is limited to the actual air-flow work performed by Stuart Services. This warranty does not guarantee the temperature of the air produced by your air conditioning and heating system. Proper filter maintenance is required. Customers must purchase and maintain, for the life of the Guarantee, a Stuart Services Air Conditioning Home Safety Plan for the installation and maintain the equipment per Manufacturers' Guidelines. Stuart Services reserves the right to make corrections and/or repairs to our installation to fulfill this guarantee. Stuart Services agrees to be held to the standards of our industry, local and national codes that govern our industry and our Code of Ethics. Stuart Services will guarantee that our installation meets these criteria and that we have delivered our product as outlined in our proposal. This warranty does not cover intentional damage or damage due to external forces, such as but not limited to: fire, wind, vandalism or storms. Service or repairs to our installation by others and/or connection of ductwork or any type of apparatuses by others to Stuart's installation will VOID this warranty. Non-Code Compliant ductwork or apparatuses connected to Stuart's installation must be brought up to Code to effectuate this warranty. Stuart will provide warranty service and repairs during normal business hours. Claims for Emergency Service or service outside of our normal Monday – Friday business hours are subject to charges, which will be quoted and approved prior to rendering service. This warranty is LIMITED to Residential Installations. Stuart Services is limited in liability up to the cost of the Installation and is not financially responsible for loss of use and/or other similar claims. This warranty is limited to the terms and conditions specifically contained herein and no other additional coverage is implied. This Warranty Certificate will be issued from Stuart Services' main office with Coverage Enforced upon full and complete payment to Stuart Services. Non-payment and/or partial payment negates this warranty.
